

TECHNICAL INFORMATIONS

FALCON BOOST

The original recipe of **Falcon Boost** includes various herbal extracts with high antiinflammatory and antimicrobial activity. Its content of Echinacea and Aloe allows to increase natural immune defence of raptors against a lot of pathogens. Falcon Boost activity is increased by its content of Propolis, Vitamins and Minerals. This herbal based supplement is very useful during birds shipment, stress and quarantine, because is able to support avian immune system activity reducing risk of developing infectious diseases. The presence of Betaglucan makes this product very effective as gut regulator and allows to reduce antibiotic use and to treat Raptors in a natural way.

For this reason Falcon Boost acts as co adjuvant in the treatment of Aspergillosis, crop and gut infections and other infectious diseases.

The content of Fructoligosaccharids in Falcon Boost formulation allows maintaining healthy the populations of beneficial intestinal flora such as *Lactobacillus* spp. and *Bifidus* spp. reducing potential invasion from opportunistic pathogens such as *E. coli* and *Candida albicans*.

Designed for Falcon and other Birds of Prey.

FALCON BOOST PHYTOTERAPIC INGREDIENTS	
EXTRACT	ACTIVITY
Acerola	Antiinflammatory; Immune system stimulation
Echinacea	Immune system stimulation
Blueberry	Blood vessels protection, antimicrobial
Red grape	Antioxidant, Antiinflammatory
Pineapple	Antiinflammatory
Eleuterococcus	Tonic; Immune system stimulation
Aloe vera	antimicrobial, Immune system stimulation
Propolis	antimicrobial, Antiinflammatory, Immune system stimulation
Betaglucans	Immune system stimulation

Indications: Aspergillosis, crop and gut infections, bumblefoot and other infectious diseases; stress conditions, quarantine.

Ingredients: Sugars: Dextrose, Fructoligosaccharids, Yeasts, Rice starch.

Vitamin A (4.000.000 I.U./Kg), Vit.E (15.000 I.U./Kg), Vit.C (15.000mg/Kg), Zinc, Copper, Selenium enriched yeast.

Herbal extracts: Eleuterococcus, Echinacea, Blueberry, Red grape, Pineapple, Aloe vera Betaglucan, Propolis.

Guaranteed analysis: Crude proteins 1,9%, crude fats 1,8%, crude fiber 0,4%, ash 0,4%, moisture 7%

Package: box (100 gr).
