

TECHNICAL INFORMATIONS

FALCON TOP

Maintenance

FALCON TOP is a dietary supplement designed to help balance the daily diet of the birds of prey keep them healthy and improve their performances.

It contains all those vitamins, mineral salts and amino acids these birds need to maintain healthy.

FALCON TOP is a unique formula made up of herbal extracts (echinacea and milk thistle) able to protect liver, stimulate the immune system and protect birds against diseases. FALCON TOP also contains Spirulina, the blue-green algae that boosts resistance and activates the body's natural defence system. Spirulina is a rich source of proteins, vitamins, minerals, γ -linolenic acid (an omega 3 fatty acid) and natural antioxidants. Spirulina is also a good source of β -carotene and pigments; they give a greenish colour to the product after contact with meat or water. Yeast content adds high quality nutrients and increases body immune response. The content of Fructoligosaccharids in FALCON TOP formulation allows maintaining healthy the populations of beneficial intestinal flora such as *Lactobacillus* spp. and *Bifidus* spp. reducing potential invasion from opportunistic pathogens such as *E. coli* and *Candida albicans*.

Regular use of FALCON TOP is recommended in particular in falcons fed by day old chicks or frozen foods.

Ingredients.

Sugars: Dextrose, Fructoligosaccharids, Maltodextrine, Rice starch, Yeast (*S. cerevisiae*)

Integrations (for Kg of product):

Vitamins: A (2.000.000 IU), D3 (5.000 IU), E (12.000 IU), K (800 mg), B1 (1.000 mg), B2 (1.600 mg), B6 (1.600 mg), B12 (6 mg), C (15.000 mg), H (40 mg), Panthotenic acid (3.000 mg), Folic acid (400 mg).

Aminoacids: l-arginine (3.000 mg), l-lysine (3.000 mg), l-coline (1.300 mg), l-methionine (1.500 mg), l-istidine (700 mg), l-leucine (1.500 mg), l-isoleucine (600 mg), l-phenylalanine (900 mg), l-threonine (2.000 mg), l-cystine (1.000 mg), l-valine (900 mg), l-triptophane (700 mg), l-aurine (2.000 mg).

Minerals: calcium carbonate (4.000 mg), copper (30 mg), iron (1.000 mg), cobalt (40 mg), iodine (100 mg), zinc (500 mg), manganese (100 mg), magnesium (900 mg), selenium (10 mg).

Herbal extracts: Spirulina (16.000 mg), Echinacea (10.000 mg), Milk Thistle 10.000 mg).

Guaranted analysis.

Crude proteins 3%, crude fats 1,9%, crude fiber 0,4%, ash 0,4%, moisture 7%.

Suggested dose: put inside the food (eviscerated prey) half measuring spoon (1 gram) of the product per Kilogram of body weight.

Package: box (100 gr).
